Mi Fuego Flamenco Dance Company was founded by LEE, Shin and her partner LIN, Keng. They fell in love with flamenco in Spain and came back to dedicate themselves to Spanish/Flamenco performance and education in Taiwan. They infuse local elements, classical music, and Chinese iconic female figure into flamenco. Their performance created a flamenco fever which ensured the company the status of the defining flamenco dance company in the Chinese community.

樂舞風華伊比利亞 (2011)

Iberia從羅馬時代開始，文明昌盛，又融入中世紀摩爾人文化，在崇山峻嶺阻隔下，孕育出豐富多變的音樂傳統。佛拉明哥音樂與舞蹈衍生於十九世紀末，兩者的交會時起時落，互為表裡。舞蹈用佛拉明哥節奏解讀古典曲目，音樂感情融入安達盧西亞的激情與深沉。

¡A Bailar, Iberia! (2011)

The peninsular Iberia has a multifaceted culture of music and dance. Since the ancient Rome days it has lured many composers to praise it with music. Flamenco music and dance began to receive attention in the 19th century, growing hand in hand as the art thrived. ¡A Bailar, Iberia! intends to interpret flamenco with classical repertoires full of the Andalusia ambience passion.
