以編演出屬於臺灣的佛朗明哥為使命 (Flamenco de Formosa)，耕耘臺灣表演藝術舞臺上非主流的佛朗明哥創作，作品融合芭蕾、現代舞、佛朗明哥和臺灣本土創作音樂，思考以原創的佛朗明哥舞蹈銜接臺灣和西班牙兩種迥異的文化氣質，打破一般人對佛朗明哥的表象認知。

Molding the ultimate Flamenco de Formosa, Genio Dance Group encourages professional dancers skilled in jazz, modern dance and flamenco to shed the skin of conventional dance moves when exploring unadulterated emotion. In 2003, the hard work finally paid off. "Wild Sea Trilogy", the first installment of the Flamenco de Formosa series, put the Group firmly on the map as a flamenco-oriented ensemble experiments, bridges and fuses different styles with mastery and taste.

天際線 (2012)

一個男人，一個女人，在淡水兩度相遇。女巫的手，狡黠地劃破天際線。看見穿梭四百年之戀。

Skyline (2012)

The whole new 2012 Genio Dance Group dance piece begins with the encounter of a man and a woman. Twice they met in Dan-Shui. As the plot unravels, the audience witnesses a love affair that disrupted but not lost for four hundred years. With a chuckle, the mischievous touch of the witch sweeps across the skyline.
