由「分享快樂」的夢想開始，以扯鈴為圓心，劇場創意為半徑，開始探索一個全新的表演形式，帶領觀眾進入超越想像的舞臺世界。曾於美國、加拿大、上海世博、日本愛知萬博等地，及臺北花博定目劇演出，巡演三十餘國，演出超過五百場。

Diabolo Dance Theatre began as a simple dream. Back in 1986, a group of young diabolo artists came together to share their passion. Taking nourishment from their technical skills and artistic creativity, they sought a new style of performance to take diabolo dance beyond imagination. The troupe performed more than 500 shows in over 30 countries over the years at landmark theaters and arenas in Taipei, New York, and Aichi.

海洋之心 (2013)

透過人、鈴、線的互動，展現時而柔美，時而剛強的海洋風貌，帶領觀眾看見希望與美好，看見臺灣向上的力量。

Ocean Heart (2013)

The beauty and strength of the ocean presented by the dancers, the diabolos and the lines interaction, leads the audience to see hope and happiness, and the power of Taiwan.

舞鈴是一個認真工作、安靜累積能量的舞團，很高興看到他們不斷上層樓，我對他們有信心、也充滿期待。
